

Arlington Public Schools Sustainability Liaison Application 2022-2023

Part I - To Be Completed by the Applicant

Name: _____ School: _____

Years of work experience in Arlington Public Schools: _____

Optional topical subgroups (likely email listservs) you would like to join:

- ___ reduce, reuse, recycling, composting
- ___ gardens and outdoor spaces
- ___ sustainable food and food waste
- ___ transportation, energy, and plastics / fossil fuels
- ___ diversity, equity and inclusion

Please respond to the questions below on a separate single page and attach it to this cover sheet

1. Describe your sustainability-related educational, professional, and/or volunteer experience including experience with: gardens and outdoor learning; waste management, recycling, and composting; sustainable procurement; energy, water, and material conservation; environmental curriculum; and/or transportation.
2. Describe in 1-3 sentences the project(s) you anticipate leading in your school in 2022-2023. If you were a liaison in 2021-2022, please describe how you would build upon the work you have previously completed.
3. Please describe in 1-3 sentences how your work as a sustainability liaison would contribute to diversity, equity and inclusion.

I agree to serve as the school's sustainability liaison. I have reviewed the Position Description and Quarterly Review Form, and will fulfill all work requirements in 2022-2023.
