

Thank you for taking the time to work on your ELMs/MWEEs

The ask here is that you:

1. Create a folder with your name
2. Make a copy of the [Blank ELM](#) (MWEE Tool Editable ELM), name the copy with your name and add it to your folder (NOTE: Consider making copies of MWEE Tool Editable Audit and MWEE Tool Developing Driving and Supporting Questions to support your work on the Curriculum anchor section of the ELM)
3. Complete the Curriculum Anchor section of the ELM (all 3 parts)
 - a. Defining the Learning Objectives and Curriculum Connection
 - b. Describing the Local Context
 - c. Identifying the Driving Questions
4. Use the [Audit tool](#) (Classroom Integration, Issue Definition and Local Context sections) to review your Curriculum Anchor section and revise as/if needed.
5. Share your ELM with your course leaders
6. Create a slide [HERE](#) with some brief details on the Curriculum Anchor section of your ELM. We will be sharing this with the group.
